IMPLEMENTATION OF THE ELECTRICAL WIRING REGULATIONS 2011, L.I. 2008

WHO QUALIFIES TO UNDERTAKE ELECTRICAL WIRING IN GHANA?

A person CERTIFIED by the Energy Commission (EC)

WHERE TO GET A CERTIFIED ELECTRICAL WIRING PROFESSIONAL (CEWP) / CERTIFIED ELECTRICAL WIRING INSPECTOR (CEWI)

A detailed register of the names, contacts and specific location of CEWPs/CEWIs is available at:

- all ECG district offices.
- all NEDCO district offices.
- Energy commission's website (www.energycom.gov.gh)

WHY SHOULD YOU USE A CEWP?

- It is required by law as a pre-requisite for service connection.
- A CEWP and CEWI will ensure safe wiring to protect you and your property.

HOW TO GET CONNECTED BY ECG OR NEDCO

Before applying for service connection from ECG or NEDCO:

- Get a CEWP to do the wiring of your facility;
- Obtain from the CEWP a duly signed and stamped installation completion certificate (ie. form A and B or minor works form);
- Get a CEWI to inspect the wiring, sign and stamp the installation completion certificates if the wiring is approved.
- If not approved, get the CEWP who did the initial wiring to make corrections as recommended by the inspector at no additional cost (report a CEWP who fails to comply, to the EC).
- Apply to ECG or NEDCO for service connection and attach the installation certificate to the application for (original of A and B or minor works form).

Sponsored by Tropical Cable and Conductors Ltd.

Location: Ghana Airways avenue, Airport Residential area, behind the Alliance Francaise
For more information call 0506344713 / 0249229306 / 0302813756

NOTE!!!

The METER APPLICATION form is ONLY valid with the signed and stamped installation completion certificates attached.

SANCTIONS

WIRING BY A NON-CERTIFIED ELECTRICIAN IS ILLEGAL!!!

A person who contravenes the law is liable on summary conviction to

- A term of imprisonment not more than 2 years
- A fine of not more than 250 penalty units or both

In addition, the supply of electricity may be disconnected from the premises on which the electrical wiring was undertaken.
